

WACCAMAW CONFERENCE

Because we need to protect a clean and ample supply of freshwater!

When?

**Saturday, February 20th
8 am to 1 pm**

*Interested in conservation
of our
water, land and way of life?*

Learn how protected lands are
being managed for wildlife and
public use...

- ...have you ever thought what is the
value of a tree? We do...
- ...find out how climate and
energy policy can assure our
future prosperity...
- ...get involved in the paddle trail
project on the Waccamaw River!

Where?

**Waccamaw Higher Education Center
in Litchfield***

What?

**An annual educational conference for the public
to learn about the importance of our freshwater
resources and how to protect them!**

*Interested in water quality and pollutants in our
local rivers?*

Come hear about efforts to update the regional water
quality plan for our area...

- ...learn more about emerging pollutants that are impact-
ing our local fish populations...
- ...find out about the minimum flow recommendations to
support our downstream uses...
- ...see how drought and flooding impacts water quality!

Exhibitors include:

- Audubon Society
- Coastal Conservation League
- Wildlife Federation
- Coastal Carolina University
- American Rivers
- US Fish and Wildlife
- Coastal Waccamaw Stormwater
Education Consortium
- Clemson University
- Keep NMB Beautiful
- Sierra Club
- Pee Dee Land Trust
among others!

Cost?

\$10.00 pp. Includes Lunch!

* Center Located at 160 Willrook Blvd. in Litchfield, off of
Hwy 17 behind the Hampton Inn
