

Our Mission:

To protect, preserve, monitor and revitalize the health of the lands and waters of the greater Winyah Bay watershed.

Accomplishments in fulfilling our mission::

- **A decade as watchdog protectors of our local rivers**
- **Successful volunteer water quality monitoring on the Waccamaw River**
- **Advocates protecting our waters from polluters**
- **Saving important local wetland habitats**
- **Youth programs for river education & stewardship**
- **Collaborative partnerships for public education**
- **Community involvement through river cleanups & paddling events**
- **Promoting ecotourism & natural heritage conservation**
